THE USAGE RAFFLE

Use Xtrata. *Earn raffle tickets.*

Your inscription is your first ticket and puts you in the draw. It also unlocks the rest: each other different action below adds one more ticket, so more actions mean better odds.

 Inscribe your work through Xtrata TICKET 1 · UNLOCKS THE REST	 Play songs in the Xtrata Music app or Lounge +1 TICKET	 Play a game of On-Chain Chess +1 TICKET	 Claim a sponsored drop (no STX needed) +1 TICKET
 Like a song on-chain +1 TICKET	 Collect an Audionaut +1 TICKET	 Post an Astro Blaster 3 high score on-chain (#3075) +1 TICKET NEW	 List or buy something on the Market +1 TICKET

Example: inscribe a song and you are in the draw with 1 ticket. Play some tracks in the Lounge and post a high score and you have 3.

More on-chain games using the same high-score contract may join the list during the challenge.

One X account. One wallet. *Used for everything.*

We count every entry and ticket straight from the blockchain, so we need to know which wallet is yours. Choose one wallet, announce it from your X account, and do everything with it.

1 Choose one wallet and announce it on X

Post from your X account on or after 1 October: "I'm entering #XtrataBounty with wallet SP..." and tag @XtrataLayers. That post links your X account to that one wallet.

2 Inscribe with that wallet first

Inscribe through Xtrata with the announced wallet, on or after 1 October. That inscription is your first ticket and it unlocks the rest. Until then, nothing else counts.

3 Use the same wallet for every action

Play songs, play chess, claim drops, like songs, collect, post high scores and trade, all from that one wallet. Before you sign, check it is the right one.

4 Submit your entry

Join the Xtrata Telegram and send your X handle, your wallet address and your inscription IDs at t.me/+DSYbDCWx869hOWY0 by 21 October.

YOUR TICKETS COUNT ONLY WHEN ALL THREE ARE TRUE

- ✓ The wallet is announced from your X account.
- ✓ That wallet has made an Xtrata inscription on or after 1 October.
- ✓ Each action was done by that same wallet, during the challenge.

THESE WILL NOT COUNT

- ✗ Anything done with a different wallet, or before your wallet has inscribed.
- ✗ Inscriptions or actions from before 1 October.
- ✗ A second wallet on the same X account. Only the first one you announce counts.
- ✗ One wallet announced by more than one X account.
- ✗ Switching wallets halfway through. Pick your wallet before you start.

9 PRIZES, 9 WALLETS

Each wallet can win only one of the 5 main prizes and 4 special awards.

RAFFLE: OPEN TO ALL

Every qualifying wallet is in every weekly draw, main prize winners included.

HOW WE JUDGE

Originality, quality, creative use of Xtrata, and how you share it on X.

Counts: announce SP1ABC, inscribe with it (ticket 1, you are in the draw), then play chess and claim a drop with it. Three tickets.

Does not count: playing chess with SP9XYZ, or with SP1ABC before it has inscribed.
